What changes am I making to allow abundance in?	What additional things do I need to change to allow more abundance to flow to me?	What would I like to manifest in my life that I do not already have?	What do I need to remove from my life that is draining me of abundance?	What negative patterns do I keep repeating?

What Abundance Means to Me	What I Have that Makes Me Feel Abundant	What I Want that I Do Not Have	What I am Thankful For	What Do I Do To Block/ Stop Myself
